

### **Grant Family Campsite in The Grant Village**

The Grant Family Campsite is a walk-in campground featuring seven family-size tent pads, each suitable for one large, 9' x 16' tent or two 8' x 8' or smaller tents. Many of the campsites include posts for hammock camping in addition to the tent pad.

The Grant Village's expansive fields and woodlands provide opportunities for hiking, nature exploration and wildlife watching. The 8-mile Grant Loop Trail passes through wetlands, forests, meadows and agricultural lands. This moderate to difficult trail is suitable for walking, trail running and mountain biking, and features low-water crossings, rustic bridges, scenic vistas, and abundant wildlife.
