

Cedar Pond Pavilion in The Greens Village

The rustic, three-season Cedar Pond Pavilion is nestled in a woodland overlooking scenic Cedar Pond, with easy access onto the Bull Run Overlook trail for wildlife watching, hiking and mountain biking. The beautiful structure was handcrafted in Tennessee from old cedar logs and raised here at Willowsford by the craftsmen who built it. Stop by when hiking the trail, which passes by Cedar Pond, and enjoy a picnic on the spacious deck while watching nature. Cedar Pond Pavilion is a great place to host a family gathering, birthday party, scouting meeting or overnight, or other group events.

Commented [SL1]: Can we link to the Terms instead of repeating this here?

Commented [SU2R1]: I sort of wanted to repeat these things because it helps give a prospective renter an idea of what you could use this space for without bogging it down with the denser rental agreement language. Open to just linking separately or we could simplify these rules a bit more.

- Trash waste must be placed in the trash receptacles.
- Activities may not interfere with normal operation of the amenities or adjacent trails or walkways at any time.

Alcoholic beverages are permitted at the pavilion. Visitors must be 21 years or older to consume alcoholic beverages. No alcoholic beverages are permitted to be consumed outside of the pavilion.

Displaying Rental Agreement

A copy of the rental confirmation email (which serves as the parking pass) **must** be displayed on the vehicle dashboard unless the Renter hiked or bikes to the site (in which case they should be kept by the Renter).
